"Without Love"

All night long I could not sleep
For ringing in my ear
I heard a sweet soft melody, yes I do

The words at first, I couldn't make out clear
The black cloud had drifted away
And baby, this is what I heard her say, she said

"Without love, there's nothing you can do, oh, oh, oh
Without love, you're not really you, oh baby"

All night long she spoke to me
She whispered in my ear
Way beneath that sweet, soft melody, she said

"Don't you know that a rich man
A rich man that might be poor
If money is all that he has"

Baby without love, there's nothing you can do, oh, oh,
oh
Without love, you're not really you, yeah, yeah, yeah

Oh yeah

And all night long she spoke to me
She whispered in my ear
Beneath that sweet, soft melody and here's what she
said

She said, "Hey baby don't you know that a rich man
A rich man that might be poor
If money is all that he has"

Without love, there's nothing you can do, oh, oh, oh
Without love, you're not really you, oh, oh, oh

Without love, there's nothing you can do, oh, oh, oh
Without love, you're not really you, oh, oh, oh

Without love, there's nothing you can do, oh, oh, oh
Without love, you're not really you, oh, oh, oh

Without love, there's nothing you can do
Without love, you're not really you

Without love, there's nothing you can do
Without love, you're not really you
