(B. Bandiera/J. Lyon)

Everybody always running
Running from the things they can't understand
Everybody's always searching
Searching for something so close at hand
People get so blinded
They never seem to find it
It always seems so hopeless
But in time, I think you're going to find

Wo wo wo - Baby, you can count on me
Wo wo wo - Baby, you can count on me

Trouble, trouble always trouble
A girl like you needs someone to hold on to
Sometimes it seems we live in sorrow
Don't worry baby, together we can make it through
Holding on to someone
Holding on to life
Waiting for a moment
When it's time I believe you're gonna find

Wo wo wo - Baby, you can count on me
Wo wo wo - Baby, you can count on me

You can count on the one who loves you
You can count on my waiting heart
When no one seems to think of you, baby
I'll be waiting, I'll be watching
And no one will ever tear us apart

Holding on to someone
Just holding on to life
Waiting for that moment
When it's time I believe you're gonna find

Wo wo wo - Baby, you can count on me
Wo wo wo - Baby, you can count on me
