Picked me up in a hotel bar  
ran me down like a speeding car  
Men, she played them like a movie star  
She is something,  
Ooo different more then one thing  
Take your favourite, see you later

She make around like blow  
A Desperado  
Aea ae she is sexy in bravado  
Makes you go crazy colado  
Aea ae le femme desperado

Le femme desperado oh oh

Lights out, to trash motel  
She let me drive but I like to tell  
This story of this modern Jezebel  
Stil I miss her,  
Damn I wish I never kissed her  
Fire fire, pure desire

She make around like blow  
A Desperado  
Aea ae she is sexy in bravado  
Makes you go crazy colado  
Aea ae le femme desperado

What do I do, what do I say,  
how did I get this way?  
What in the world has she done to me?  
What do I do, where do I go,  
why do I miss her so?  
Desperado, oooh

She is something,

Ooo different more then one thing  
Take your favourite, see you later

She make around like blow  
A Desperado  
Aea ae she is sexy in bravado  
Makes you go crazy colado  
Aea ae le femme desperado
