Ooh, baby's got my number  
Is it any wonder  
That I feel like dancin'  
Ooh, baby's got my number  
Is it any wonder that I  
Feel so good  
She likes to call me in the early mornin'  
Sounding like a dream come true  
She knows just what it takes  
To get me going  
When she whispers  
Baby, I miss you  
I can't wait to kiss you  
Ooh, baby's got my number  
Is it any wonder  
That I feel like dancin'  
Ooh, baby's got my number  
Is it any wonder that I  
Feel so good  
She likes a-walkin' in the midnight moonlight  
Laughin' in the pouring rain

She 'n I, we fit together so right  
I'm in heaven every time she shows me  
How she knows me  
Ooh, baby's got my number  
Is it any wonder  
That I feel like dancin'  
Ooh, baby's got my number  
Is it any wonder that I  
Feel so good  
Ooh, baby's got my number  
Is it any wonder  
That I feel like dancin'  
Ooh, baby's got my number  
Is it any wonder that I  
Feel so good  
Ooh, baby's got my number  
Is it any wonder  
That I feel like dancin'  
Ooh, baby's got my number  
Is it any wonder that I

Feel so good
