And out of track  
Thought I was just dreamin'  
Then I woke up  
You said it was over  
The end of the line  
I'm telling everybody I'm fine, but I'm just  
Climbing up Mt. Everest, I swear it's like  
Crawling from here to Memphis, knocked senseless,  
like  
Digging a hole to China to find  
You don't love me no more  
Night after night  
I come home  
Watch it on the news  
Who else was overthrown  
Two warring nations  
We fought the good fight  
Always waiting for the other to strike, and it's like  
Climbing up Mt. Everest, I swear it's like  
Crawling from here to Memphis, knocked senseless,  
like  
Digging a hole to China to find

You don't love me no more  
Shine the light  
Ring the bell  
Guess you don't love me, well, well  
I'll go on  
I'll survive  
I don't know how but I'll try  
Climbing up Mt. Everest, I swear it's like  
Crawling from here to Memphis, knocked senseless,  
like  
Digging a hole to China to find  
You don't love me no more  
You don't love me I'm...  
Climbing up Mt. Everest, I swear it's like  
Crawling from here to Memphis,  
knocked senseless, like  
Digging a hole to China to find  
You don't love me no more  
You don't love me no more

You don't love me no more
