What's going on?  
I wanna feel you  
We're having fun  
I wanna hold you  
Closer and closer to me  
Say do you feel  
It's getting crazy  
Say what's for real  
And you'll amaze me  
Nothing can break us apart

Come on come, pame, pame  
Come on come, pame, pame  
Let's dance on the ceiling tonight  
Come on come, pame, pame  
Come on come, pame, pame  
Let's dance in the morning light  
Show what you feel  
What feels real for your heart  
Show what you feel for me  
Come on come, pame, pame  
Come on come, pame, pame  
Dance through the night with me

Tell me what's true  
I think I'm dreaming  
Just me and you  
That's what I'm feeling  
Take me and make me your man

Come on come, pame, pame  
Come on come, pame, pame  
Let's dance on the ceiling tonight  
Come on come, pame, pame  
Come on come, pame, pame  
Let's dance in the morning light  
Show what you feel  
What feels real for your heart  
Show what you feel for me  
Come on come, pame, pame  
Come on come, pame, pame

Dance through the night with me

Let's take the fight for the right to the night  
Let's find a place where the love never dies  
I'm gonna love you for ever and ever  
I know that you will be mine  
Be mine

(Come on come, pame, pame)  
(Come on come, pame, pame)  
(Let's dance on the ceiling tonight)  
(Come on come, pame, pame)  
Come on come, pame, pame  
Let's dance in the morning light  
Show what you feel  
What feels real for your heart  
Show what you feel for me  
Come on come, pame, pame  
Come on come, pame, pame  
Dance through the night

(Pame, pame, pame)  
Show what you feel  
(Pame, pame, pame)  
Show what you feel for me  
(Pame, pame, pame)  
Pame
