Intro

Yow Yow!... Woh Woh... Yeah Yeah Waleid Sp Pon Di
Riddim
Yow! Bless Up Aint No Rain Stress Up!
Were My Girl I love you Neva Eva! Bless Up Meh Gyal!
UZEET! Yow...

Chorus

U were my girl been all of my world but u still leavin
baby I'm really out of my mind...
U were my girl... u still the one.
.. But I'd rather move on cos another man come and
hold u down... I screw u up.
.. U fucked up... Meanwhile.
Love turns into shit! Girl juss hold you down It's
over... But... I loved you girl... Hell no I still love you til
now.

VERSE 1

She left me and I don't have my girl around tonight, I
feel like a blind
Man with sight nigga stuation got me
Fucked got to handle it I gotta out with guys drink hard,
Flirt hoes around cos I know you girl
You probably been find another man,
full up ur heart and don't mind girl don't forget meh
baby!

Chorus

U were my girl. Been all my world but u still leavin
baby and I'm really out of mind.
.. u were my girl... u still the one.
.. But I'd rather move on cos another man come and
hold u down... I screw u up.
.. u fucked up... Meanwhile.
.. Love turns into shit! Girl juss hold meh down It's
over... But... I loved you girl... Hell no I still love you til
now.

VERSE 2

Your eyes speaks a lot I know you got all the shit

to talk about... you Should've don't give a fuck now
it's the end. I gotta be fuckin blind.
And believe you again... go away.
.. go there... I found a reason to stop wantin u like
beforeaaa...

Chorus

U were my girl... been all my world but u still leavin
baby and I'm really out of mind.
.. u were my girl... u still the one.
.. but I'd rather move on cos another come and hold
u down... I screw u up... u fucked up.
.. Meanwhile... love turns into shit!
I loved you girl... hell no I still love you til now.
