Guess there's no use in hangin' 'round  
Guess I'll get dressed and do the town  
I'll find a crowded avenue  
Though it will be empty without you  
I can't get used to losing you  
No matter what I try to do  
Gonna spend my whole life through loving you

Called up some girl I used to know  
After I heard her say, "Hello."  
Couldn't think of anything to say  
Since you're gone it happens every day  
I can't get used to losing you  
No matter what I try to do  
Gonna spend my whole life through loving you

Can't get used to losing you  
No matter what I try to do  
Gonna spend my whole life through loving you

I'll find somebody wait and see  
Who am I kidding, only me  
Cuz no one else could take your place  
Guess that I am just a hopeless case  
I can't get used to losing you  
No matter what I try to do  
Gonna spend my whole life through loving you  
Can't get used to losing you  
No matter what I try to do  
Gonna spend my whole life through loving you
