Come whether you whine or grind
I say whether you whine or grind
Can you shake it up right on time
I say shake it up right on time

Well, the first thing she ask is you havea ya brush
You havea ya brush, you can avoid the rush

Come whether you whine or grind
I say whether you whine or grind
Then you shake it up right on time
I say shake it up right on time

She want a ruff ruff rider
He want a cool cool stoker
Come whether you whine or grind
I say whether you whine or grind
Can ya shake it up right on time
I say shake it up right on time

I see only sorry
I see no chance of your bright new tomorrow

So stand down Margaret
Stand down please
Stand down Margaret

I say stand down Margaret
Stand down please
Stand down Margaret

You tell me how can it work in this all white law
What a short sharp lesson,
What a third world war

Oh stand down Margaret
Stand down please
Stand down Margaret

I say stand down Margaret
Stand down please
Stand down Margaret

Say too much war in the city yeah
Say too much war in the city, whoa
I sing i said a love and unity, the only way
And unity, the only way
Yeah ya know,
You know what!
