If you're cool I hope you're lucky
I hope your life is fulfilled
If you're bad I hope you rot in hell
Or get run over by a train

Everybody in the house step outside (Make love)
Everybody in the house get a job (Sign on)
Everybody in the house make money (Get stressed)
Everybody in the house get religion (Lose the faith)
Everybody in the house at school (Do your homework)
Everybody in the house dress in drag (Smoke a fag)
Everybody in the house surf the net (stay in bed)
Everybody in the house got power (Break the rules)

If you're cool I hope you're lucky
I hope your life is fulfilled
If you're bad I hope you rot in hell
Or get run over by a train

All the ladies in the house wear the trousers (The ladies)
All the fellas in the house dress in drag (Smoke a fag)
Everybody in the house call a hooker (No respect)
Everybody in the house let's party (Fuck off)

If you're cool i hope you're lucky
I hope your life is fulfilled
If you're bad I hope you rot in hell
Or get run over by a bus

If you're cool i hope you're lucky
I hope your life is fulfilled
If you're bad I hope you rot in hell
Or get run over by a train

Everybody in the madhouse go whoa (Step outside)
Everybody in the house go whoa (Get a job)
Everybody in the madhouse go whoa (Make money)
Everybody in the house go whoa (Get religion)
Everybody, everybody, everybody, everybody
Everybody in the house go whoa (whoa)
