This aint no boy scouts' adventure
Or no senile dementia
This aint no easy game to play
This is life you're dealing with
This is life you're playing with

So, wake up, get up, turn off the TV
Put away your toys
You know we've got a lot,
We've got a lot of good times ahead of us
You know we've got a lot,
We've got a lot of good times ahead of us
Good times

This aint no Feng Shui nightmare
Or no Ann Summers get together
There aint no fixed dice to roll
This is life you're dealing with
This is life you're playing with

So, wake up, get up, turn off the TV
Put away your toys
You know we've got a lot,
We've got a lot of good times ahead of us
Good times
You know we've got a lot,
We've got a lot of good times ahead of us
Good times
Wake up, get up, turn off the TV
Put away your toys
You know we've got a lot,
We've got a lot of good times ahead of us
Good times
You know we've got a lot,
We've got a lot of good times ahead of us
Good times
