Dance, do you wanna see me dance  
I'm dancing my life away  
Baby, you've got take this chance  
And love while the music play

You know it's all so easy  
You know it's all so right  
It's such a deep down fealing  
I've got to let it out  
If it takes all night

My love is Music  
My love is Love  
My love is Music

My love is Music  
My love is Love  
My love is Music

Baby, I gonna you put you on  
The boggi's in town tonight  
And baby you know it can be wrong  
So cool it and down the light

It's like a storm inside me  
It's like I'm half in sane  
I feel the music ride me  
Hou! I got to dance, dance to ease my pain

My love is Music  
My love is Love  
My love is Music

My love is Music  
My love is Love  
My love is Music

My love is Music  
My love is Love  
My love is Music

My love is Music

My love is Love  
My love is Music

You see me dance and see me dance my life away  
Don't take a chance and love me while the music play  
You see me dance and see me dance my life away  
Don't take a chance and love me while the music play

My love is Music  
My love is Love  
My love is Music

My love is Music  
My love is Love  
My love is Music
