Who lives in a house like this  
Who lives in a house like this  
In Number 69 there lives a transvestite  
he's a man by day  
but he's a woman at night  
there's a man in number 4 who swears  
he's Saddam Hussein  
Says he's on a chore to start the  
third world war  
oh if you find the time  
please come and stay a while  
in my beautiful neighbourhood  
in 110 they haven't paid the rent  
so there goes the tv with the repo men  
in 999 they make a living from crime  
the house is always empty 'cos they're  
all doin' time  
oh if you find the time  
please come and stay a while  
in my beautiful neighbourhood  
my neighbourhood  
my my my beautiful neighbourhood  
my neighbourhood  
my my my beautiful neighbourhood  
who lives in a house like this  
who lives in a house like this  
in number 18 there lives a big  
butch queen  
he's bigger than Tyson and he's twice  
as mean  
in 666 there lives a Mr. Miller  
he's our local vicar and a serial killer

who lives in a house like this (who lives here, man?)  
who lives in a house like this  
oh they want to knock us down  
'cos they think we're scum  
but we will all be waiting when the  
bulldozers come  
in a neighbourhood like this you know  
it's hard to survive  
so you'd better come prepared

'cos they won't take us alive
