If you're getting nervous  
Cos all your defences are down  
And you're running through a storm  
Cos there's no one on the other side

You've got to avoid being Paranoid sixteen  
You've got to avoid being Paranoid sixteen

You flit like a butterfly  
And never say goodbye  
Look in car windows  
And feel like you could die

You've got to avoid being Paranoid sixteen  
You've got to avoid being Paranoid sixteen

You think you're going mad  
And your looks are starting to fade  
Oh and all your achievements  
Lie far behind your dreams

Oh and you've got to avoid being Paranoid sixteen  
You've got to avoid being Paranoid sixteen

You've got to avoid  
Being paranoid  
You've got to avoid  
Getting so paranoid
