Would you jump in after me?
Or be my bullet-proof vest for me?
Do you love me? Yes
Or do you just like my state of undress?
Yes you do, yes you do, yes you do, yes you do, yes
you do
Would you give me your parachute?
Or miss your last train home for me?
Do you love me? Yes
Or do you just like this unholiness?
Yes you do, yes you do, yes you do, yes you do, yes
you do
Do you love me? Yes
Or do you just like my state of undress?
Yes you do, yes you do, yes you do, yes you do, yes
you do
Yes you do, yes you do, yes you do, yes you do, yes
you do
Yes you do, yes you do, yes you do, yes you do, yes
you do
Yes you do, yes you do, yes you do, yes you do, yes
you do
