I keep it to myself I do not what to do
Cause everyday when i wake up all i do is think on you
I try to tell my friends and there is nothing wrong
but then they ask me why always i play that song
The one that says i want you back again
the one that says i miss you as a friend

i know i was a bad boy and make you wait
and now i know what i want but now i think it maybe too
late

(x4)
I want you back yeah yeah!
I want you back again yeah yeah!

And now i feel so alone i know where i can go
to drown my sorrows until to i ??????????

i go on every night and find somebody new
the trouble is it that always look like you

the one that says come home whit me tonight
and we ?????????????? under the stars tonight

I know that shes a bad girl and not soo great And Now
I know what i want but now i think it maybe too late

(x4)
I want you back yeah yeah!
I want you back again yeah yeah!

ohhhhhhhhhhhhhhh EhhhOhhh ohhhhhhhhhhhhh

??
??
??

play whit fire you get burned
some people will never learn
weeeeohhh weeeeohhh

(x 4)
I want you back
I want you back again
