Im the king of the club
Where's my table tonight?
Im eatting close to the floor-or-or-or

weve got a meeting tonight
its getting out of control-ol-ol-ol
got the chase them to the left
got to meet them to the right
we poppin bottles all night long
oh oh oh
gotta push em off the cliff
gotta make them fall in love
oh shit
love is so expensive
I just spent my rent money buying all these bottles
but im leaving with 2 models so I'ma be alright
I just spent my rent money buying all these bottles
but im leaving with 2 models so I'ma be alright
Mr.Jackson has to wait
fore well be sleeping tonight
dont want him waiting at my door-or-or-or cuz that will
be embarrssing to kick my ass out tonight
oh no what am left to do
oh oh oh oh oh

jesse will be for him
we have an after party all night long-ong-ong
but what if he dont care?
he asks me for his rent

oh shit
love is so expensive
I just spent my rent money buying all these bottles
but im leaving with 2 models so I'ma be alright
