Red One  
Space Cowboy (what are you talking about?)  
(let's go!)  
Cherry Cherry Boom Boom  
Space Cowboys just play that track

Roll up to the club  
It's a jungle, jungle, yeah  
They know just who I am  
Now I'm feeling like  
And I gotta spinning  
I'm the DJ here tonight

Yeah, the girl at the bar,  
She giving me rawr  
And I am the lion...

We party like animal (animal)  
She party like animal  
We party like animal (animal)  
She party like animal  
When you spinning at the club,  
And the girls showin' you love  
And you climb up on the speaker like cats,  
We party like animal (animal)  
She party like animal

When we puts five more girls on the DJ's list,  
And we move like cat walk  
They serving booze all night  
With a lemon twist  
Party heels and no talk

Rawr up on the bar  
We're back to be young  
And be who we are...

We party like animal (animal)  
She party like animal  
We party like animal (animal)  
She party like animal

When you spinning at the club,  
And the girls showin' you love  
And you climb up on the speaker like cats,  
We party like animal (animal)  
She party like animal

When the lion's awakened  
The lion's awakened  
We gonna party like animal  
When the lion's awakened  
The lion's awakened  
We gonna party like animal

V-I-S-T-O-S-O  
Party just like animal  
Grab my head, OK, let's go (let's go)  
(we party like) Into the safari  
Makin' these kids go party  
Jump out loud  
Watch you bow  
Let me see you shake your body (we party like)

Let's go, let's go  
This party's out of control, so  
Like animals  
Like out cos we gon' (we party like)  
Let's go, let's go  
This party's out of control,  
From front to back,  
This party's packed

She party like animal  
We party like animal (animal)  
She party like animal
