I've been running away for too long
It's time to pick up my bags and go [and go and go]
It's time I faced my demons
and time I face the music
It's time I face up to the changes I'll be going through

Run away
Running away
Running away
I'm running away
Run away
Runnin' and runnin' and runnin' and runnin'
Keep runnin' and runnin' and runnin' and runnin'

I've be thinking about what you said, oh
This time I'm taking you at your words.
I've got to be myself and
I got to find my own way
There's got to be another way I'm running out of time.

Run away
Running away
Running away
I'm running away
Run away
Runnin' and runnin' and runnin' and runnin'
keep runnin' and runnin' and runnin' and runnin'

Run away
Running away
Running away

Run away
Running away
Run away
I'm running away
From love

Run away
Running away
Running away

I'm running away
From love
