Last night I heard you talking in your sleep (yeah yeah)  
It got me thinking what secrets that you keep (yeah  
yeah)

What do you dream of, when your dreaming of him  
And do you dream of me when your dreaming of him

Talking in your sleep (talking in your sleep)  
You were, talking in your sleep (talking in your sleep)  
Talking in your sleep (talking in your sleep)  
You were (talking in your sleep)  
Talking in your sleep

Last night you told me, that you were all alone (yeah  
yeah)  
I tried to call you while you were on the phone (yeah  
yeah)  
You tried to tell me that you were by yourself  
I don't believe you, you were with somebody else

Talking in your sleep (talking in your sleep)  
You were talking in your sleep (talking in your sleep)  
Talking in your sleep (talking in your sleep)  
You were (talking in your sleep)  
(talking in your sleep)  
Talking in your sleep  
You were talking in your sleep  
Talking in your sleep  
You were talking in your sleep  
Talking in your sleep

You were talking in your sleep  
Talking in your sleep (talking in your sleep)  
You were talking in your sleep (talking in your sleep)  
Talking in your sleep (talking in your sleep)  
You were (talking in your sleep)  
(talking in your sleep)  
Talking in your sleep  
You were talking in your sleep  
Talking in your sleep  
Talking in your sleep
