Baby, why you're hurt in me  
Oh, I can't stand the pain  
I feel this side  
Love is like an endless rope  
Like fire in the rain  
It hurts inside  
Baby, am I guilty  
Guilty for the pain  
But if your heart is broken  
Let us try again

How can I be sure  
That you don't ignore  
And I'm still in love with you  
And I make your dreams come true  
How can I be sure  
You love me like before  
And I be the only guy  
Who is in your heart tonight

Babe, I love you endlessly  
Oh, I know it from my heart  
Be young, ??  
You and me 'till ...  
I never tell a part  
Be young, ??

Baby, am I guilty  
Guilty for the pain  
But if your heart is broken  
Let us try again

How can I be sure  
That you don't ignore  
And I'm still in love with you  
And I make your dreams come true  
How can I be sure  
You love me like before  
And I be the only guy  
Who is in your heart tonight

How can I be sure  
How can I be sure  
Let you endlessly  
And I know, I know, I know it from my heart  
How can I be sure
