My feel it what I bring, cause my rap is it be real
I move with the sickness, my strategy be ill, huh
These rappers look like meals, they coming demia
chest
So I'ma eat them all and chill
Well hold y'all swears, if you hate now
I trouble rappers like I move with no bass sound
I done bring you pain, face frown
Grown ass kid and the world be my playground

New school rap home boy when you dada
The nigga fake bites on my raps and say caca
Holding on my swag, just gonna prove he no get coppa
Got a man soldier, the dreadlock rasta
I'll be me, who the fuck is you
I'll be flying from the top, it's a better view
One O, bring the style that you never knew
God us all, blessing for the raps that you said you do
My lyrics trying, to go fill... be tough
Lyrically, gone the same as the bitch nuts
If a test... I'm d cuts
Money talks, in the tellie has to speak up!

No size, charley, all di shoes that my feet just no gonna
fits you
You be no size, ah, ah
Steady 6, steady 8, Charlie mine you be no size

They gonna fell out when my speech drop
... my speech hot
Charley, we just be smoke out of tea pots
On my ground paper chasing till my feet rots
Yeah, yeah with sounds of my beat box
More vim to the dream that I still got
Treat these rappers like I lilliac every free chop
But appear just the fire, cheap shot

Yeah, ah no go sleep till I'm amongst the greatest
Treating rappers like my sons swear we're not related
Trickery it's like a song in have to fade it
Haters don't want me to ball like I'm castrated

Ah, give me blow, let me take you higher
Moving rap, I give what you all desire
... can't forget these liars... and tire
I'd rather be... my raft just away, flow heavy like
tsunami
My swag be... right I now when ah watch me
Haters see me... couldn't paste what it copy

No size, charley, all di shoes that my feet just no gonna
fits you
You be no size, ah, ah
Steady 6, steady 8, Charlie mine you be no size.
