De der de der down

De der doo

Hey, baby

I bought you presents, baby

Not very big

And so tiny

Down...de der down

I bought your presents

Okay...it's a plant

Down...

De der down

De der down

De der down

De der down

De der down

De der down

De der down

De der down

De der down

[Space Ghost]

Well...that was...that was...

[Brak]

De der down

[Space Ghost]

That was certainly enjoyable

Wasn't it, Brak?

[Brak]

Is it hot in here

Or am I sweatin'?

Hahahaha!!!
