[Space Ghost]

Everybody wants to be Space Ghost

Everybody near and far

Hey, ma, look at me

I'm on TV

Everybody wants to be a star

I'm Space Ghost

Mr. Space Ghost

I've got big muscles

And I can dance

When Zorak tries to bug me

I zap him with my power bands

[Zorak]

Uhhhh...I don't think that will be necessary

[Space Ghost]

I think I'll zap him with my power bands

On Saturn and Jupiter and Neptune, too

I've been hearing it from coast to coast

I'd give anything

If for just one day

I could be a super hero like Space Ghost

[Zorak]

Ugghh...Why would anyone want to be Space Ghost?

[Space Ghost]

Everybody wants to be just like me!
