And now here he is, ladies and gentlemen

The Sands Hotel of New Vlandar is proud to present...

The King Space Ghost!

[Zorak]

Space Ghost

Space Ghost

[Space Ghost]

Oh...thank you

Thank you very much

[Zorak]

Space Ghost

[Space Ghost]

I'm going to Venus

I'm gonna do it in my space ship

[Zorak]

Space Ghost

[Space Ghost]

I'm going to Venus

I'm gonna go there 'cause it's really hip

I'm going to Venus

I've got my toenails painted red

I'm going to Venus

'Cause no one there ever goes to bed

Hey...

Come on, dance along with me now

[Zorak]

Space Ghost!

[Space Ghost]

What?

[Zorak]

Stop it!

I'm trying to sleep!

[Space Ghost]

Oh, you're no fun.
