[Brak]

I went out last night

To get me a bite

It was about a quarter 'til two

I met a little girl named (???)

And we did the Hoodleehoo

Hey!

Hoodleehoo

Hoodleehoo

[Group]

What in the world is the Hoodleehoo?

[Brak]

Sit yourself down and we'll tell you

How to do the Hoodleehoo

[Space Ghost]

You pick your left foot up

Until you touch your nose

Put your rear on your rear

And wiggle your toes

Hop all around like a kangaroo

You're almost ready to Hoodleehoo

Grab some pickles and a pound of cheese

Get some burgers on mayonaise

Eat 'em all up

But don't forget to chew

Now you're doing the Hoodleehoo

Hey!

[Brak]

Hoodleehoo

Hoodleehoo

[Group]

So that's how you do the Hoodleehoo

[Brak]

Ain't nothing like it

You know it's true

Doing the Hoodleehoo

I know that note was wrong

[Zorak]

I'm tellin' you, buddy

[Brak]

Don't tell me I'm wrong when I know it

[Zorak]

Well, you listen to me when I'm talking to you
