Brak]  
I love you, baby  
I love the way that you walk  
I love you, baby  
I love the that you talk  
I really like it when kyou call my name  
"Hey, Braky, Wacky!"  
I like your sister  
I like your Aunt Louise  
I like your doggie  
I even like his fleas  
I really like it, when you tickle me  
Stop it!!!  
Somebody left a cake out in the rain  
Oh no!  
I was gonna eat that cake  
But now it's all wet  
And now I don't think I want any!  
We could get married  
Just the two of us  
And you could a job driving a school bus  
I love you, baby  
Will you marry me?  
You don't have to decide right away!  
Think it over  
Who's it gonna hurt?  
Where ya goin
