[Space Ghost]

One day I bumped into this
Bigshot, TV guy I know
He said I'm really desparate
Would you like to host a show?
I says I'm kinda busy here
Saving the world from crime
But if the money's right
Then, buddy, show me where to sign

[Zorak]

Show him where to sign

[Space Ghost]

I knew I'd need some co-hosts
Or I would surely fail
I remembered I had Brak and Zorak locked up in my jail

[Brak]

Hello

[Space Ghost]

I told them all about the show
They were happy as can be

[Zorak]

Yeah right

[Space Ghost]

The show is Cartoon Planet
And the rest is history

[Brak]

Re-re-re-re-re

[Space Ghost]

Cartoon Planet starring me

[Brak]

And me

[Zorak]

And me
