We wish you a happy birthday  
We wish you a happy birthday  
We wish you a happy birthday  
And a happy birthday

We wish you a happy birthday  
We wish you a...happy birthday  
We wish you a, man this bites  
And a happy birthday

A happy birthday to you and your kin  
We wish you a happy birthday and a happy click-click  
Take me to the fridge!

Now bring us some figgy pudding  
Now bring us some figgy pudding  
Now bring us some figgy pudding  
And bring some right here

We wish you a happy merry  
Merry merry, a happy birthday  
We wish you a Christmas birthday  
And a New Year's birthmus

Good tidings to you, and all of your flesh  
We wish you some figgy pudding, and a nice  
Halloween  
We wish you a merry birthmus, and a Christmas New  
Year!
