Let's all meet on the edge of the shore
with the moon coming up on the sea
wood planks all about us
the wind in your hair
and the salt creeping up on the breeze

And I'll tell you how I feel
when the wind kicks the sails and the wheel
Yeah I'll tell you how I feel
when the looks in their eyes begin to feel real
I'll tell you how I feel
when I no longer have to conceal

la da da, la da da da da da
Why didn't I? I didn't know

let's all meet in the tempest waves
with the thunder and spray on our heels
let's all meet in some dreary hour
with the wax dripping red into seals

let's sympathize with the blue in his eyes
and the wilderness drawn to the fear
let's be surprized when the best of us dies
and we can't seem to look in the mirror

and I'll tell you: you were the one
when the words all come undone
yeah I'll tell you: you were the one
when I'm sure you can hear me and cryin is done
I'll tell you: you were the one
when I pick up the speed and I finally outrun

still sea, blue eyes
still sea, blue eyes
la da da, la da da da da da

Why didn't I? I didn't know
