So now
Don't act like everything is in his place
That everything is so okay
Cause is not.

Cause my doctor say
Forget about it
Cause my best friend tell
Forget about it
Cause my family told me
Forget about it.

But I can't
No I can't
I been trying to figure out
But I don't know what it's all about
So just stop, forget about it

See once upon a time
You was my heroine
Once upon a time
I met you, common in
So I'm coming clean
And you are in the past

Cause my doctor say
Forget about it
Cause my best friend tell
Forget about it
Cause my family told me
Forget about it.

But I can't
No I can't
I been trying to figure out
But I don't know what it's all about
So just stop, forget about it

Cause now you are so not cute
Cause now I'm not ordinary, fool
Cause now I'm a bitch to you

But I'm a lot of things, you lose.
