Im so tired
To cover all your needs
Think is time
To open my eyes
To look all your lies
To say goodbye
But I cant, no I can't

Rode, rode, rode baby
Suddenly
Go, go, go baby
I see clear
Now go
You don't know anything about me
About me, about me

Looking at your brain
All you give is pain
I only see rain
Because I decided
Yeah I decided
Yeah I decided

Rode, rode, rode baby
Suddenly
Go, go, go baby
I see clear
Now go
You don't know anything about me
About me, about me

I'm screaming for you
I'm praying for you
I'm asking for you
(To go, to go, to go)

Rode, rode, rode baby
Suddenly
Go, go, go baby
I see clear
Now go

You don't know anything about me
About me
