Oh sweet pain hold me
Oh sweet chains weld here
Oh sweet emotions let me be
Oh sweet boy set me free

It hurts, it shows, it feels
I lost; I can't go on like this
I must to go my life
Even you're not here
And my heart split
I can't find an exit
Can't follow the string
It hurts, it shows, it feels

Oh sweet heartache in my veins
Oh sweet revenge stuck in my hands
Oh sweet lips can't denied a kiss
Oh sweet girl set him free

It hurts, it shows, it feels
I lost; I can't go on like this
I must to go my life
Even she is here
And my heart split
I can't find an exit
Can't follow the string
It hurts, it shows, it feels
Like I'm not here

Cause you are not for me
Can't see, can't be, can't breath
Can't dream, can't find an exit
Can't go on like this
Can't follow the strings
She can't swallow your lies
But neither can I
Tell me what you wanna do
Cause this is hurting me too

(Can I go on like this?
Do you need to set me free?)

Would I keep my dreams at night?
Can you decide all right?
Are you tricking on me?
Are you my lover or my owner?
Are you here to set me free?
Or to chain me to the string?)

It hurts, it shows, it feels
I lost; I can't go on like this
It hurts, it shows, it feels

Oh sweet glory hold me in your arms
Oh sweet boy I don't wanna be another one
Oh sweet girl let him free
So you can let me be
So you can let me be
So you can let me be
So you can let me be
