She came from money
He called her honey
Her family makes wine
He's robbing her blind
When I see her and you on 2nd Avenue,
Well, it makes me wanna spew
So I ran away from you
I want to live on 2nd Avenue
I want her love on 2nd Avenue
Don't let her buy you 2nd Avenue
It's my street too
Now that you're married
Living on the Isle of Capri
You eat pate all day
G for a swim in the bay
Still I can't stand to see you in a magazine
With your blue blood clan
And all your fans
I want to live on 2nd Avenue
I want her love on 2nd Avenue
Don't let her buy you 2nd Avenue
It's my street too
What a girl to that
2nd Avenue
It's my only road, my 2nd Avenue
I want to live on 2nd Avenue
I want her love on 2nd Avenue
I want to run on 2nd Avenue
I want to spew on 2nd Avenue
I want to walk on 2nd Avenue
I want her child on 2nd Avenue
don't let her buy you 2nd Avenue
It's my street too
