Let us blend our tongues in praises  
Let the years resound our voices  
Enduring be our fealty  
To the school we love so well.

Though the years our paths may sever  
Sons of Lourdes, we'll ever be.  
And with joy thy praises  
sing so proudly  
Cheering Alma Mater  
Hail to Thee !!!

Comrades dear ....  
Let the song ...  
Echo clear ...  
Loud and long ...

Let us blend our tongues in praises  
Let the years resound our voices  
Enduring be our fealty  
To the school we love so well.

Though the years our paths may sever  
Sons of Lourdes, we'll ever be.  
And with joy thy praises  
sing so proudly  
Cheering Alma Mater  
Hail to Thee !!!
