Faceless, Faceless
Visible, yet invisible
She's ageless, ageless
She's been before you so long
You forget she's there.

Stageless, Stageless
so much inside and so little let out,
She's faithless, faithless
Once a believer but all is long since gone.

Faceless, Faceless
You aim to please, but you live to bleed
But noone's aloud to touch your heart.

Princess, Faceless
you once looked the world in the eye,
But every gaze in turn left you scarred.

Cravless, craveless
No thankyou's accepted, no credits granted.
She's selfless, selfless,
Lost behind the mask she's made.

She feels useless, helpless
cold and empty but anxious to give more,
more and more

Faceless, Faceless
You aim to please, but you live to bleed
Endlessly giving for too long.

Princess, faceless,
you once looked mankind in the eye,
But all that it left you was a song.

Faceless, Faceless
You aim to please, but you live to bleed
But noone's aloud to touch your heart.

Princess, faceless,

You once looked the world in the eye,
But every gaze in turn left you scarred.

She's faceless, faceless,
Princess, faceless.
She's faceless, faceless,
Princess, faceless.
