"Glow"

Glow,
take out this foreign heart,
wash oof the sand that seeps out through my eyes,
I've still sleep in my eyes.
Cold,
cold's how we felt so long,
accuse me of crying and speaking of lies.
I've still sleep in my eyes,
I've still sleep in my eyes,
glow like a lover.
Out,
out is the winter pale,
gold rising June in the blue of my eye,
I've still sleep in my eyes.
Glow, this is my family,
send for the soul you can soon realise.
I've still sleep in my eyes,
I've still sleep in my eyes,
glow like a lover.
