Between the lines and between the sound
I walk gravely with my head down
there?s so much I?d like to say
but myself gets in my way

I would have killed just to get somewhere
just to dream to get out of here
and though I know just who?s to blame
I can't even speak my lousy name

I'm paralysed
I?m gagged and bound
no way to rid me of
this scapegoat of mine
I try to scream
but I can't make a sound
I'm missing in stereo

I had the lines but I've lost them
and when I tried to get them back again
every word was like a fly
impossible to catch
as they vanished in the sky

I'm paralysed
I?m gagged and bound
no way to rid me of
this scapegoat of mine
I try to scream
but I can't make a sound
I'm missing in stereo

(missing in stereo)
Missing in stereo x2

I?m deaf, dumb and blind
like half of me wanted
can't get help
if it was what I wanted
I?m both of me,
and I just want to be one

I'm paralysed
I'm gagged and bound
no way to rid me of
this scapegoat of mine
I try to scream
but I can't make a sound
I'm missing in stereo x2

(missing in stereo)
Missing in stereo x3
