Girl

Oh that feeling
That was the love
You've been needing

Girl

Your heart's beating
Faster now
You ain't dreaming

Yes it was
That was love

Don't let it slip away
Love's there for you to take
Stop playing these games with fate

Girl

You've been waiting
You feel so much
Has been forsaken

Girl

Your heart's aching
For the touch
Love's awakened

Yes it was
That was love

Don't let it slip away
Love's there for you to take
Stop playing these games with fate
Oh girl before it's too late
