She never belived,
I'd do anything to hurt her
She never belived,
That I could do anything wrong
She firmly belived,
But some belives can be fatal
And now she is sound asleep
In other times I would have held her forever
In other times I would have gone by the book
But rule number one, never go crazy together
And now she is sound asleep
She's so peaceful
So peaceful
So peaceful
Seconds before the storm
She's a goddess,
Her eyes are two devine standards
She's a goddess,
Her lips are works of art
She's a goddess,
Her precense gives hungry dogs maners
But now she is sound asleep
She's so peaceful
So peaceful
So peaceful
Seconds before the storm
I wanna..
I wanna..
Crush her fingers one by one
Bite her lips until their gone
Smash her kneecaps just for fun
Leave the eyes out by the sun (x2)
Wow.. What has she done to me
To rewoke such fantasies
Why would I get to be
And she's so peaceful
So peaceful
So peaceful
She is so peaceful
So peaceful
She is so peaceful

Seconds before the storm
She is so peaceful
She is so peaceful
(There is just too much wrong in these lyrics....)
