Hip a no-no-no-no
Hip a no-no-no-no

Unseen
We live underneath the radar
No sign - on screen
We dance underneath the radar

Between the walls - well hey
We're just too small to make a fuss about it
Did something fall? well hey
What is the point in losin' sleep about it?

See ya later - see ya later
Hip-a-no-no-no-no
Hip-a-no-no-no-no
See ya later - call me

We dance underneath the radar
We live underneath the bomb
When you live underneath the radar
There's no way that you're ever gonna get far
(So get hip!)

We kiss underneath the search light
We live underneath the bomb
When you live underneath the radar
There's no way that you're ever gonna get far

We speak
Unheard
Like ants we dance between the towers
We sleep
They move
Come sailin' over the horizon

Between the walls - well hey
We're just too small to make a fuss about it
Did something fall? well hey
What is the point in losin' sleep about it?

See ya later - see ya later
Hip-a-no-no-no-no
Hip-a-no-no-no-no
See ya later - call me

We dance underneath the radar
We live underneath the bomb
When you live underneath the radar
There's no way that you're ever gonna get far

We kiss underneath the search light
We live underneath the bomb
When you live underneath the radar
There's no way that you're ever gonna get far

I'm gonna W-O-O-O-O-O ya all, ya all
I'm gonna W-O-O-O-O-O ya all, ya all

See ya later - see ya later
Hip-a-no-no-no-no
Hip-a-no-no-no-no
See ya later - call me

We dance underneath the radar
We live underneath the bomb
When you live underneath the radar
There's no way that you're ever gonna get far

We kiss underneath the search light
We live underneath the bomb
When you live underneath the radar
There's no way that you're ever gonna get far

Yeah

There's no way that you're ever gonna get far
Hip a no-no-no-no
Hip a no-no-no-no
