Thank you

For lending me your hand

For sharing time today

For giving that idea

That made

It a nice and easy day

So saying now thank you

For setting all aside

To treat me to some time

With you

Where all you do

Is listen hard

In my backyard

Now thank you

For lending me your hand

For sharing time today

And I pray that all your hopes

And dreams will fall in your place

And I pray that all your hopes

And dreams will fall in your place

And I pray that all your hopes

And dreams will fall in your place

And I pray that all your hopes

And dreams will fall in your place

Thanks, thanks, thanks, thanks

Thanks, thanks, thanks, thanks

Thanks, thanks, thanks
