"Fixed"

It goes beneath what I've done
It's bigger than the helplessness I felt
It comes around without a face
And redefines my subconsciousness again

I can't be fixed
I can't be fixed
I can't be fixed
'cause I won't change
Stall

Reverse the cause to numb the sense
It's meaningless if I can't be ashamed
I latch myself onto the need
The only thing that isolates me now

I can't be fixed
I can't be fixed
I can't be fixed
'cause I won't change
Stall

It goes beneath who I am
And turns into the recklessness I felt
It comes around without a face
And redefines my subconsciousness for good

I can't be fixed
I can't be fixed
I can't be fixed
'cause I won't change
Stall
