As I saw the whore {From Babylon} whispering her
perverted lust,
All those impotent priests are running to Samaria's
hills.
OOoohh my apocalyptic hatred pull down these false
allied for the highest
Pleasure
Of my tremendous being.
As the empty skies are turning into a slaughtery
poisoned fog.
The dark one summons the destruction of thy holy
kingdom...
No more light nor hope on earth by now just apocalyptic
freedom. By my home
!!!

RACING THE APOCALYPSE MANIFESTO
OPEN WIDE THE GATES OF HELL !

Nooo ! You christian assholes you will never survive to
our father wrath not
A weak as you are all of you will be a part of this
reign....Sabbitical
Mayhem, apocalyptic rites our feast will be forever
done as the millenium
Black bells chime for satan's return.
Kingdom falls and other ones are raising in his eternal
glorification.
Satan manifesto will gather us, his worthy followers, all
his hordes
Numerous as the sand of the seven seas to finally
unleash the so long
Awaited holocaust.....

[LEAD: NORNAGEST]

Under the banner of the flaming cross, the dark one
summons the infernal
Hordes,
For the destruction of jehovah's creation:
As the wooden croos percuted the skull of god your so

lord
Darkness powerful storm,
Hatred as I am are devastating the field of Samaria.
