Yo spark, put up the Bentley
I?m rollin? witchu
No way, uh , no way, uh huh
Gimme that good life
Oh, oh, talk about

All of my clothes are tailor-made
And yes, I got a house right off the lake
You know I be spending every day
Don?t matter 'cuz all my bills are paid

Drop top Bentley, Gucci shades
Gamblin' in Vegas for a day
Yes brothers, I do until my day
And siestas can?t fade me 'cuz I?m made, see

I?m livin? the good life
I?m partying every night, I?m watchin? the crystal flow
Vip and that?s all I know
Just living that good life
Still partying every night, still watchin? the crystal flow
Vip and that?s all I know

Private jet to Amsterdam
Thirteen carets on my hands
Wall street says I?m doin? fine
Drop cash for our countryside

Payin? chauffeurs, butlers, maids
Runnin? up spa bills everyday
Country clibbin? with rich friends
Tomorrow I?ll do it all again, you see

I?m livin? the good life
I?m partying every night, I?m watchin? the crystal flow
Vip and that?s all I know
Just living that good life
Still partying every night, still watchin? the crystal flow
Vip and that?s all I know

All my siesta's?s stackin? dough
All my siesta?s with that flow

All my ladies workin? hard
I know you?re livin? that good life

All my siesta?s stackin? dough
All my siesta?s with that flow
All my ladies workin? hard
I know you?re livin? that good life

Uh uh uh, good life
Uh uh uh, that?s right
Uh uh uh, good life
Uh uh uh, I?m livin? that

Uh uh uh, good life
Uh uh uh, that?s right
Uh uh uh, good life
Uh uh uh, I?m livin? that

I?m livin? the good life
I?m partying every night, I?m watchin? the crystal flow
Vip and that?s all I know
Just living that good life
Still partying every night, still watchin? the crystal flow
Vip and that?s all I know

I?m livin? the good life
I?m partying every night, I?m watchin? the crystal flow
Vip and that?s all I know
Just living that good life
Still partying every night, still watchin? the crystal flow
Vip and that?s all I know

I?m livin? the good life
I?m partying every night, I?m watchin? the crystal flow
Vip and that?s all I know
Just living that good life
Still partying every night, still watchin? the crystal flow
Vip and that?s all I know
