Never can say goodbye
Never can say goodbye, no

I had a few lovers in my life
Had to walk away 'cause things wasn't right
I had no problem movin' on
'Cause I still had to be strong
(You know we gotta be strong)

Never thought that I would feel this way
All my skies blue from being gray
Never be another, baby
I need the love you give to me
(You give to me)

At night, hold my pillow so tight
Can't you see why I cry, cry, cry?
I can't sleep and I can't eat
Ooh baby see no one does it like you do
(Like you do)
Can't stop lovin' you baby, baby, baby
Can't you see that I could never say?

(Never can say)
Never can say goodbye no, no, no, no
(Never can say)
Never can say goodbye, no, goodbye no
(Never can say)
Never can say goodbye, no, no
(Never can say)
Never can say goodbye, no

Don't tell me, what's a girl to do
When she's so in love with you
I don't know, baby
Sometimes you make me lose control

See nobody, nobody but you
Can hold me tight
And when we make love, it feels so right
Can't nobody do me like you do it
When you're doin' me, oh, oh, oh

At night, hold my pillow so tight
Can't you see why I cry, cry, cry?
I can't sleep and I can't eat
Ooh baby see no one does it like you do
(Like you do)
Can't stop lovin' you baby, baby, baby
Can't you see that I can never say?

(Never can say)
Never can say goodbye, no
(Never can say)
Never can say goodbye, no
(Never can say)
Never can say goodbye, no, no
(Never can say)
Never can say goodbye no, goodbye no

Tell me why you're leavin'?
I can't understand
I can't help what I'm feelin'
I just can't let your love go

Tell me why you're leavin'
I can't understand
I can't help what I'm feelin'
I just can't let you go

Never can say goodbye
(No, no, no, no, no)
Never can say goodbye, no
(What would I do without love?)
(Where would I go without love?)
Never can say goodbye
(I wanna live without you baby, baby, baby)
Never can say
