There is no greater  
No, no, no, no, no  
There's no greater love I've seen in my life  
No, no, no, greater, greater

Oh, no, no  
Oh Lord, I praise Your name  
For all the things You've done, oh

There's no greater  
No greater love I've found than You, Lord  
And all the things You've done for me  
I'm so glad I've come to see

There's no greater  
No greater love I've found than You, Lord  
You never hurt and walked away  
That's why you want me to be brave

There's no greater love  
I found no greater love  
There's no greater love  
There's no greater  
There's no greater, I know

He can move any mountain  
And He can calm any sea  
He can ease any troubled mind  
He can give victory

I come to know  
I've come to know  
I've come to know  
My heavenly father

There's no greater  
No greater  
No greater  
Love I've found than You
