They say that love is wonderful
They say that love is marvelous
Then tell me why did you turn away, boy

Turn away from my love
Turn away, boy
Turn away from my love
Turn away, boy

Twelve o'clock in the noon day
And I'm just getting out of bed
The thoughts of losing you
Are still hanging 'round my head

I don't know why
(I don't know why you left me all alone, boy)
Tin bird he flies
(Private jets, first class to Texas)
(What's going on?)

Turn away from my love
Turn away, boy
(Ooh yeah)
Turn away from my love
(You turn away)
Turn away, boy
(Ooh)

Baby, don't you know
That I've been missing you
So bring your lovin' home
'Cuz you've been gone too long

I don't know why
(I don't know why you left me all alone)
Tin bird he flies
(Such an empty space inside of me)

Turn away from my love
(Turn away from my love)
Turn away, boy
(You turn away from my love)

Turn away from my love
(Ooh boy)
Turn away, boy

Turn away from my love
My love, my love
Turn away from my love
My love, my love

Since you turned away
Ooh, life ain't been worth living
Since you turned away
My love ain't been worth giving

Since you turned away
You see this house is not a home
Since you turned away
Baby, I just can't go on since you

Turn away from my love
(Turn away)
Turn away, boy
(I cannot go on without you baby)
Turn away from my love
Turn away, boy
(Turn away, turn away)

Turn away from my love
Turn away, boy
(From my love, from my love)
Turn away from my love
Turn away, boy
(I turn away from my love)

Turn away from my love
Turn away, boy
