"All Night Home"

Shining motorcycle
Through the trees we rifle
We're gonna drive all night home
We're gonna drive all night home

Down to West Virginia
Like the blood within ya
We're gonna drive all night home
We're gonna drive all night home
Shining motorcycle
All her worries stifled
We're gonna drive all night home
We're gonna drive all night home

This ought to hold her now
This ought to hold her now
This ought to hold her now
This ought to hold her now
