oh mother I want a dog  
I want a little dog  
I saw a little dog  
his name is happy

well this is me ...  
... old ...  
I could be a shopkeeper  
we'll call 'em ...

she got a six foot pitchfork  
I see the wrecking-ball  
back over here together  
she got me here with or without

she got me coming through the dog door  
she got me coming through the dog door

I said pitchfork  
oh step-ladders

you oughta walk away  
but you can't ...  
... stairs  
she got me gone back here  
but don't sit there  
she let me keep the deck-chair

she got me coming through the dog door  
she got me coming through the dog door

pitchfork (pitchfork)  
crowbar (crowbar)  
clawhammer (clawhammer)  
hot tar (hot tar)

she got me through her middle name  
but she can make it rain  
she got a small-town chill  
and she's starving in the belly wheel

she got me coming through the dog door  
she got me coming through the dog door

pitchfork (pitchfork)  
crowbar (crowbar)  
clawhammer (clawhammer)  
hot tar (hot tar)
